

## E.A.R.N. EMPLOYMENT PROGRAM—RESIDENT FORM

The E.A.R.N. (Encourage Adolescent Responsibility Now) Employment Program matches young people ages 12-19 seeking part time work with Maine Township residents who require work done that is appropriate for youth. When a Maine Township resident calls for service, they need to be enrolled in the program first to receive services. Those residents who are enrolled and call for services will receive the names of three youth in their area, if possible. By signing up ahead of time residents insure quickness and efficiency of service. Be sure to sign the hold harmless agreement and date it.
